*

Looking for ways to cut your energy costs? Learn about energy-saving projects that can save you money for years to come on **Alliant Energy's "PowerHouse" TV program-now available for check out on DVD at the Cobb Public Library.** The DVD's were donated by Alliant Energy. Each episode focuses on a variety of energy-efficiency topics, like installing storm doors, choosing new appliances, and choosing a ceiling fan and more.

The Cobb Library also has an Electricity Usage Meter available for check out. The meter allows you to plug in an appliance, and the meter will tell you how efficient that appliance is. It can help you determine which appliances are costing you the most. Stop down at the library to check out either item.
